

## REMARKS

Reconsideration of the present application is respectfully requested. Claims 1-34 have been cancelled and replaced with claims 35-52. The cancellation of the claims and presenting of the new claims is to address an apparent error in the claims being examined. The claims are substantially similar to those in the Office Action Response dated January 17, 2006. As the record will reflect on January 17, 2006 there were pending claims up to and including number 34. As the record reflects there were many cancelled claims such as for example 5, 7, 9-12. In subsequent Office Action of March 29, 2006 claims 33 and 34 were apparently not examined. Further, in the RCE filed September 29, 2006 there was presented a set of claims that included a clerical error and did not accurately follow from the prior claims and associated amendments. Therefore, the Applicants present claims 35-52 to clarify the record and correct any inadvertent clerical errors on the part of the Applicants and the United States Patent Office.

Respectfully Submitted:
